

Mission Endowment Fund 2010 Information and Application Form

Introduction

Through the generous gifts of its members, Zion Evangelical Lutheran Church of Waterville, Ohio, is pleased to offer grants for Mission purposes beyond Zion and its congregation. Zion's Endowment Committee administers the Fund through an application process.

The following information explains the application process and timetable. All applications must be in writing and all information must be provided. All applications must be **submitted** and **sponsored** by an active member of Zion Evangelical Lutheran Church. In the interest of efficiency and uniformity, the Endowment Committee will evaluate all requests based on written applications rather than personal interviews with applicants.

Categories

The Endowment Committee is looking for primarily one-time projects that will stimulate and facilitate God's work both within the local community and beyond. The Committee has an interest in helping others as a partner in Christ. Applications for on-going operating or budget support, including salaries, will generally not be considered. Grants will only be awarded to tax-qualified charitable organizations. The Committee will consider and evaluate all appropriate grant applications that are related to the following categories. The Committee is responsible for fulfilling the purpose of the Mission Endowment Fund; that is, to provide annual distributions beyond the operational needs of Zion to the ministries as stated below:

1. Organizations, projects or ministries recommended by the office of the Bishop of the Northwestern Ohio Synod, ELCA;
2. Outreach into the local community;
3. One-time extraordinary programs or start-up costs of other outreach initiatives that will enhance or expand the mission of this congregation;
4. Seminary education, either directly through scholarships to one or more individuals studying at an ELCA seminary or indirectly through scholarships to individuals selected by Trinity Lutheran Seminary, Columbus, Ohio (Seminary Scholarships may be awarded over a multiple year period); and,
5. ELCA Churchwide ministries.

2010 Dates

All grant applications must be submitted to the Committee between January 10 and March 7. The Committee will review all applications by May 10. After May 10, ballots will be prepared and mailed to all congregation members to vote on the proposed projects and beneficiaries. All ballots that are properly returned and verified by July 12 will be counted and compiled by the Endowment Committee. The Endowment Committee will present the voting results to the Congregation in early September and recognize the recipients at Zion's Worship Services on Mission Sunday, October 17. Disbursements will be made by the Trustee and will be forwarded by mail.

Procedure

The Endowment Committee will review the applications before May 10 to determine if they meet the grant criteria. Qualifying applications will be reviewed and must be approved by the Committee in order to be presented to the congregation for voting. It is hoped that there are at least three proposals in each category to be voted on. However, if there are no appropriate applications submitted and approved in a particular category, none will be presented. **Applications without a Zion sponsor or that are otherwise incomplete will not be considered.**

Funding

Application proposals should be limited to no more than \$10,000 per request. It is anticipated that the Mission Endowment Fund will provide approximately \$110,000 on an annual basis. This amount will be allocated among the appropriate categories listed above. The amounts allocated to each category will vary depending upon the number of approved applications, how well they match the mission objectives, and the results of the Congregation vote. Additionally, any project appearing on the ballot may receive full, partial or no funding.

Application

An active member of Zion must sponsor each application for a grant from the Mission Endowment Fund. Outside organizations or groups seeking grants must be sponsored by a Zion member. Additionally, the Committee may work directly with the Bishop's Office, Trinity Seminary or Seminary students. The application form must be filled out in its entirety. Additional information that the applicant wishes to supply should be attached to the application. The application must be completed by March 7 to be considered for funding in October. Any questions in regard to this application process should be directed to Zion Lutheran Church at 419-878-0266.
