

5:18

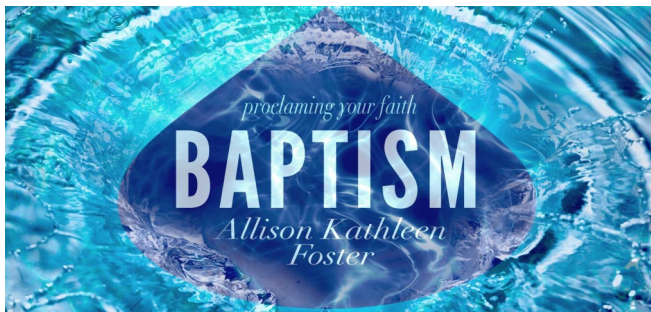

We invite you to join us this year in “**The Year of Prayer.**” Prayer can change lives. Pray each day at **5:18** a.m. or p.m., which ever time works best for you. Set your alarm, mark your calendar, write yourself a note, or whatever it takes. This summer, we will explore more deeply what prayer is about through a summer sermon series.

COMMUNITY SERVICE PROJECT

*Have you seen the trash in the field across from Kroger and said to yourself, "That is disgusting...someone needs to do something about that." Well I have good news--the time has come, and we intend to do it ourselves on **April 7th at 9am.***

*Is it our job? No. But we will DO IT ANYWAY.
Will it be gross? Yes. But we will DO IT ANYWAY.
Could it rain? Yes. But we will DO IT ANYWAY.
Dr. Jon and Dr. Tyler Schwanz look at this landfill every day and they are tired of the excuses. So we are calling on our fellow citizens to stop waiting for the proper people to take the proper action, and stop weighing blame and responsibility and just "do it anyway."*

"In a complacent world, quick to complain, but slow to act, it's an act of REBELLION to do what isn't your job, for no compensation, just because it is the right thing to do."

God gave us air in our lungs again today that he didn't have to give. It's up to us to do the most with it.

**Do It Anyway Day --Trash Pickup-APRIL 7th at 9:00am
